

Struggle of Nations, Vassal Module, Version 1.0

I, Thomas Heaney, am releasing this module publically under the belief that I have tacit approval from the copyright holder (s). Mr Wallace, the designer, expressed no opposition to the module or to its release. However, this public availability of this module does not imply any loss of privileges to the existing or future copyright holders(s) who have the right to demand the removal of this module from public use at any time. Nor should this tacit approval be considered an indorsement of this Vassal module. (April 2, 2005)

Struggle of Nations was designed by Martin Wallace and published by Warfrog

Struggle of Nations is *copyright* Martin Wallace, 2004
