Module Notes
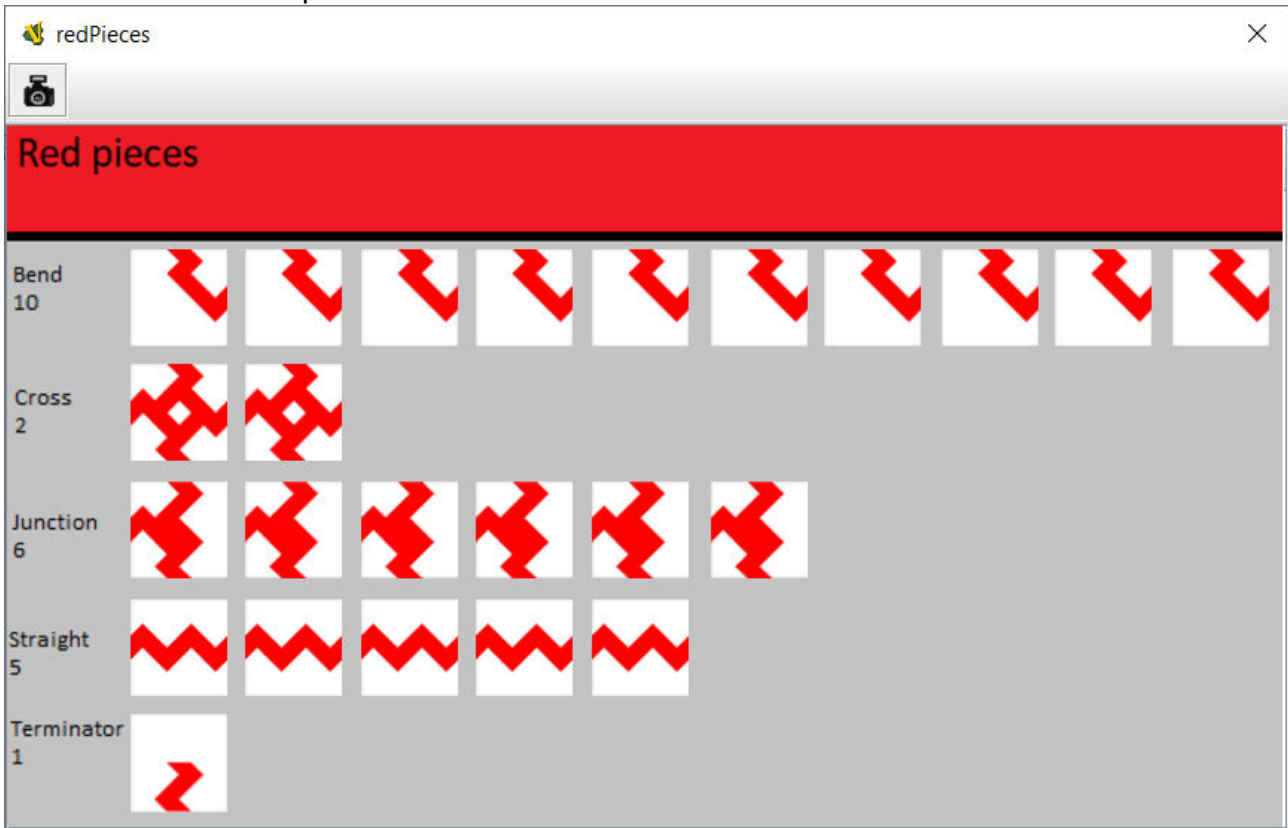

The Module

Pieces
It is essential in this game that only the 24 pieces allocated to each side are used. For example, only one Terminator piece is available to be deployed by each player.

These are the 24 red pieces:

To ensure that no excess pieces of any type are used, players should use the Black pieces/Red pieces maps and drag/drop from there to the board rather than using the Game Piece Palette.

Pieces on the board can be rotated as required:
- Right click for menu or
- CW – CTRL]
- CCW – CTRL [
