## NOTE:

Units shown on this OB card are the official 4th Edition units allowed in play. Other units provided are for variants, or are alternative units (see below).

## RUSSIAN MARKERS ALLOWED IN PLAY

## ALTERNATIVE UNIT COUNTERS

Alternative units with NATO symbols (such as the one on the right) may be substituted.

## The Russian Campaign 4th Edition™

Units being substituted must have identical unit ID numbers, combat and movement factors, and must be of the same type. For example: 4th Gd Cavalry for 4th Gd Cavalry
