Montmirail and Vauchamps 1814 is a complete game in the Jours de Gloire series. It covers the battles which occurred on February 11 and 14, 1814, during Napoléon's offensive against Blücher's Army of Silesia.

Montmirail and Vauchamps 1814 are battles which give players numerous challenges. Can the French player strike hard and fast, before his enemies escape him ? Should Napoléon send the Imperial Guard into the battle ? Will the Prusso-Russian player have enough time to organize defensive positions ? Can Blücher risk a counter-attack ?

Montmirail, February 11th 1814: Napoléon vs. Sacken and Yorck
Vauchamps, February 14th 1814: Napoléon vs. Blücher

Montmirail and Vauchamps are the 37th and 38th battles of the Jours de Gloire series.
