A Game of Thrones 2ed

clanmacrae9 version 1.0

Module guidelines for combat
Major redesign of the War Room
The Additional Game Board houses most of the functions between player turns.
Major redesign of the War Room
Attacker clicks to send a masked combat card to the combat board.

Combat modified to support new War Room design. (See sequence of combat on next 7 pages)
The defender also sends a masked card to the Combat Board.
Owning players may
Peek if needed or unmask to reveal.
Once revealed, combat results are determined.
Once combat is finished, players will return their cards back to their War Rooms as used.
Cards returning from combat are identified as "Used" in the War Room.
